

## *Be a Member—Sponsor a Student Stormwatchers Booster Club*

Keuka College Stormwatchers memberships generate support for all of our intercollegiate athletic teams. That means promoting community awareness, encouraging fans to attend games, and providing financial support for the athletic program. The 150-plus student-athletes are the direct beneficiaries of your donation. Membership is easy, with levels ranging from \$25 to \$500 and up. And back by popular demand, members can again sponsor student memberships for \$5 each. Why not take advantage of this opportunity to support the booster club and foster student participation at the same time?
