Named RACA Athletes of the Week

Cross country runners Brian Lang of Rochester and Chelsea Socha of Keuka have been named the Rochester Area College Athletics Athletes of the Week for Sept. 14-20.

Lang, the RACA Male Athlete of the Week, helped the Yellowjackets place third in Saturday's University at Buffalo Stampede. They were behind just two NCAA Division I colleges – Akron with 58 points and Buffalo with 59, just ahead of the Jackets' 64. The junior from Baldwinsville, N.Y. (Baldwinsville High School) also finished behind just two Division I runners – in 25 minutes, 50 seconds, 21 seconds off the winning pace.

Socha – a junior from Himrod, N.Y. (Dundee Central School) – finished first among 46 women runners in Saturday's Hobart Invitational. The RACA Female Athlete of the Week led the Storm to third place in the meet by finishing the six-kilometer course in 25:58. It was just Socha's second collegiate race.

Receiving Honorable Mention were two SUNY Brockport football quarterback Jack Graci and Roberts Wesleyan women's soccer player Erika Luedke.
